EDUCATION

Btech
Bharati Vidyaapeeth's College Of Engineering
07/2018 - 06/2022   *8.27*

Intermediate Schooling
Heera lal Public School
04/2016 - 04/2017   *73%*

PERSONAL PROJECTS

Line Follower Robot
- Built a robust line follower robot for an Competition held at IIT Bombay
- https://github.com/roboanonymous/Line_Following_Robot

Telegram News Chatbot (08/2021 - 08/2021)
- The chatbot can show you news and also do small talks like virtual assistants. Built with Python, Flask and DialogFlow
- https://github.com/roboanonymous/Telegram-Chatbot

Face Recognition (08/2021 - 08/2021)
- This is the Face Recognition Model. Built with the help of Haarcascade and KNN algorithm
- https://github.com/roboanonymous/Face_Recognition

WORK EXPERIENCE

Project Engineer
Wipro
06/2022 - Present
Achievements/Tasks
- Completed training in SAP ABAP

INTERN
Wipro
03/2022 - Present
Achievements/Tasks
- Training in PJP course in JAVA_J2EE

INTERN
Sparks Foundation
02/2022 - 03/2022
Achievements/Tasks
- Built Image Detector using Python, Pandas, OpenCV,and Machine learning

SKILLS

C++   Java   Data Structure   Machine Learning

Problem Solving   Github   Arduino   DBMS

HTML   CSS

ACHIEVEMENTS

Successfully organize an ipl auction in college
 (09/2019 - 09/2019)
Event organized in College cultural fest

Successfully organize " Vichaar'20 " (01/2020 - 01/2020)
Ideathon collaborated with E-cell IIT Roorkee

CERTIFICATES

Azure Fundamentals (07/2022)
Credential ID 13633912

Data Structures and Algorithms in C++ (05/2020 - 07/2020)
from Coding Ninjas, New Delhi

Data Science Master Course (06/2021 - 08/2021)
from Coding Blocks, New Delhi

LANGUAGES

English
Full Professional Proficiency

Hindi
Native or Bilingual Proficiency

INTERESTS

Watching Web Series   Cricket
